“Yet He Chose Me” 1 Peter 2 v 9. (NKJ)

What a wonderful feeling to feel “Chosen” in life. Whether it be a job, relationship or part of a team, being chosen has a special feel to it. How much more being Chosen by the God of Heaven and Earth! If God is for us, who can be against us? Amen

Prisons

Pray that the Scottish Prison Service employs Christian believers in key positions. Please also pray that the SPS continues to see the value of the faith community and their input.

Prisoners

As the prisoner population becomes increasingly more complex, please pray we remain compassionate, understanding and accepting of people from all backgrounds.

Sycamore

We have been working to improve the quality of our Sycamore material and increasing the information available on our website. We have been providing more in-depth info on sycamore at our networking events also. Sycamore Tree is one of our most effective tools and we feel to develop and improve it, please pray for Sycamore.

Volunteers

Please pray that the new volunteers coming on board will grasp the Ethos of PF Scotland, serve the prisoners well and be blessed in their individual journeys, families and fellowships.

Funding

As we work on capacity building we have been successful in some small applications resulting in additional funding towards more PFS activity & resources, please pray for us to be good stewards.

Those liberated from Prison

As we build and strengthen our network please pray for effective partners to serve those liberated from Prison.

PFS Office

We now have Manon (former volunteer at Barlinnie) back with us after taking time out to start a family, Manon is a skilled administrator and has been a real blessing around the office.
