

FEEDBACK FROM OUR JOINT ENTERPRISE SUMMER CAMPS FOR FAMILIES AFFECTED BY IMPRISONMENT (FABI)

'Everyone was so welcoming and caring at Scripture Union. I also really enjoyed the worship part of the camp and 'Road Show' and the talent show too; they were so much fun especially seeing everyone's hidden talents. I loved singing most of the songs we sung at worship...they were so meaningful and got me thinking about God.' (Child)

'The difference in my boy within a week was absolutely amazing; he came back so out of his shell, he's (coming) forward now.....he will start a conversation with you, he's more sociable even in school his attitude to things have changed and getting better. I feel like I am really getting to know my son for the first time and we are having so much fun.' (Parent)

Sally has since been in contact with her new friends she met on holiday and the school have reported that they have noticed a big difference in her confidence.' (Family Outreach Worker)

Prison Fellowship Information: April 2018

Prison Fellowship have been funding Scripture Union Holidays for children and young people supported by Circle since 2013. Since the partnership commenced 185 children and young people have had the amazing opportunity to attend the range of camps Scripture Union have to offer. Circle values this partnership and without the funding provided by Prison Fellowship we as an organisation would not be in a financial position to provide these opportunities that are so meaningful to the children and young people who attend, their families and Circle's Family Outreach Workers.
